

we go down to Cambridge creek
to be baptize the good old bible way
O brothers & sister's come on down to the creek
and be baptize the good old bible way
O fathers and mother's come on down to the creek
and be baptize the good old bible way
O sinners you don't' need a
Bible shouting crying Cambridge preacher
With his hands in your piggy bank
just come on down to the creek with us
And be baptize the good old bible way
